Expressing our determination to increase BSEC's importance on the regional and global scale for economic cooperation,

Do hereby declare as follows:

1. We note that the 25th Anniversary Summit of BSEC serves as a milestone of our firm common desire to reinvigorate the quarter-century of cooperation among the

BSEC Member States and provides the opportunity to exchange views at the highest level on further developing our cooperation to the benefit and prosperity of our peoples over the next decades.

3. We reaffirm our resolve to act in a spirit of friendship and good neighborliness and enhance mutual respect and confidence, dialogue and cooperation among the Member States.

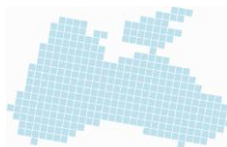

4. We share the common view that, in order to increase the efficiency and effectiveness of BSEC and to achieve a stronger future for the Organization, the Member States should continue and finalize in the nearest future the reform process on the basis of consensus and strive for an inclusive, balanced and professional representation in the BSEC PERMIS.

5. We stress that the economic cooperation among the BSEC Member States shall be conducted in accordance with international law.

6. We appreciate that the BSEC Economic Agenda Towards an Enhanced BSEC Partnership which was endorsed at the 20th Anniversary Summit of BSEC in 2012, has constituted a concrete framework for enhancing our cooperation.

7. We support greater involvement of the private sector in BSEC cooperation and enhanced synergy between the public and the private sectors to improve the business environment in the region for our entrepreneurs. Towards this goal, we welcome the efforts for revitalizing the BSEC Business Council which is the competent Related Body of our Organization.

8. At the same time, we appreciate the valuable roles and contributions of the other BSEC Related Bodies, namely the Parliamentary Assembly of BSEC (PABSEC), the Black Sea Trade and Development Bank (BSTDB) as well as the

International Centre for Black Sea Studies (ICBSS) in promoting regional cooperation and encourage them to increase mutual coordination and complementarity for the development of the region.

We recall that the interest of BSEC in contributing to the implementation of the 2030 Agenda for Sustainable Development has already been recognized in the UN General Assembly Resolution No: 71/18, dated 21 November 2016, entitled “*Cooperation between the United Nations and the Black Sea Economic Cooperation Organization*”.

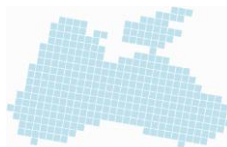

Since this issue will be an important agenda item during the next decade, we share a common goal to make BSEC an important partner in achieving the SDGs at the regional scale.

committed to display a shared sense of solidarity and cooperation in addressing the needs and problems of internally displaced persons, migrants and refugees in the BSEC region and beyond. We stress the urgent need to address the root causes of these large flows of people.

20. We stand against all forms and manifestations of terrorism whatever its source, motivation or purpose. We will continue to do our part in the international solidarity and fight against terrorism.
