

DANUBE COMMISSION PROCUREMENT NOTICE

1. Name and address of the executing agency (Client):

DANUBE COMMISSION
Benczur utca 25
H-1068 Budapest
Tel. 0036-1-461 80 10
Fax: 0036-1-352 18 39
Email: secretariat@danubecom-intern.org
Website: <http://www.danubecommission.org>

Internal reference: ...

2. Procurement procedure:

Open invitation to tender according to the procurement rules of the Danube Commission and the GRANT II General conditions.

3. a) Place of performance:

Lower Danube region / online

b) Brief designation, description, type and scope of the service:

Procurement of consultancy services by an external service provider within the framework of the Grant agreement (Grant II) of the Danube Commission with the European Commission / Directorate General Mobility

- *Description of the services to be rendered :*
 - *Survey existing capacities and identify potential capacities of inland waterway transport, river and sea ports in the region to facilitate transport flows between EU and non-EU countries on the lower Danube in the current economic context;*
 - *Identify the capacity limits of the ports on the Lower Danube, especially for the transshipment of goods to and from Ukraine;*
 - *Develop proposals of measures to increase capacity;*
 - *Record the capacity of the Danube fleet for additional cargo volumes transported from Lower Danube river and sea ports to Constanta and Central and Western Europe;*

- *Identify any administrative barriers to the movement of goods between EU and non-EU countries and propose measures to overcome these barriers;*
- *Identify relevant market restrictions in Danube waterway transportation with regard to trade patterns, especially in the area of agricultural products;*
- *Set-up and operate a contact and information point ("Danube Cargo Information Desk") to facilitate cargo flows in inland navigation by connecting market actors and matching cargo demand with port and fleet operator services;*
- *Organise meetings (online, or in person) with port and fleet operators to discuss and identify solutions to overcome capacity constraints;*
- *Involve public administrations to discuss and identify solutions to overcome administrative barriers and facilitate freight flows;*
- *Provide regularly updated relevant information from the above activities that can be useful for the wider public, e.g. companies, ports, operators, transport companies;*
- *Provide other relevant information of particular interest in a concise and structured form.*

- *Bi-weekly situation report on the Danube and the seaports in the region [availability/capacity bottlenecks of the Danube fleet, capacity situation of the seaports on the lower Danube and in Constanta; capacity situation of ferries transporting Ukrainian refugees, up-to-date information on administrative obstacles or other restrictions) and proposed measures; brief overview of supporting activities];*
- *Overview table of ports and their general handling and storage capacities with a special focus on agricultural products (especially cereals, oilseeds and sunflower oil) with bi-monthly update cycle;*
- *Overview table of inland navigation companies in the Greater Region and their transport with a particular focus on agricultural products (especially cereals, oilseeds and sunflower oil) with bi-monthly update cycle;*

- *Scope of performance:*

The external consultant is expected to be interact with the Secretariat for the Danube Commission for at least 30 working days.

4. Execution period/delivery deadline:

May until December 2022

5. a) Name and address of the contact point from which the tender documents/clarifications may be requested in writing or by fax:

see point 1 or by e-mail: secretariat@danubecom-intern.org

or

(b) the place where the procurement documents can be downloaded:

<http://www.danubecommission.org/>

(c) Deadline for submission of such requests:

16 May 2022, 12:00 CEST

6. a) Deadline for submission of tenders (closing date):

19 May 2022, 12:00 CEST

(b) the address to which tenders must be sent:

DANUBE COMMISSION
For the attention of Mr. Manfred SEITZ
Benczúr utca 25
1068 Budapest
Hungary

7. Financial conditions:

10 days after the conclusion of the consultancy contract, 25% of the contractual amount shall be transferred. The remaining amount shall be transferred within 10 days after presentation of the final report accepted by the client.

8. Award and binding period:

20 May 2022

9. Minimum requirements shall be demonstrated in an appropriate form by:

- Self-declaration in accordance with the annex to the tender documents

Requirements for the consultancy provider:

- At least 10 years of professional experience in the field of logistics by inland waterway vessel in the Danube region;
- Several years of practical experience in planning the handling of logistics solutions by inland waterway vessel on the Danube;
- Extensive knowledge of the agricultural markets of the Danube region, their players and their requirements for logistics;
- Extensive contacts with the key players in Danube navigation (shipping companies, port service providers, other logistics service providers);
- Detailed knowledge of the infrastructures of the most important ports and ferry locations on the lower Danube (Romania, Moldova, Ukraine);
- Good contacts with public authorities in Romania/Ukraine/Republic of Moldova (shipping administrations, port administrations);

- Good physical accessibility for possible on-site appointments in the river and sea ports of the lower Danube (area Giurgiu-Constanta-Galati-Sulina, Giurgiulești, Reni and Ismail (depending on the security situation));
- Extensive experience in the preparation of economic reports (reporting);
- Perfect command of English (for the preparation of reports and interaction with the Secretariat) and languages needed for performing the activities above;

Subcontracting is not permitted.

10. Other information:

With the submission of the bid, the bidder is subject to the procurement rules of the Danube Commission available on the Commission's website (danubecommission.org – E-library) in French, German and Russian, as well as to the GRANT II General conditions (relevant provisions – attached in English).

.....

Tendered services

Consultancy services are sought from an external service provider within the framework of the Grant agreement (Grant II) of the Danube Commission with the European Commission/Directorate-General for Mobility.

Quantity: -1-

The external service provider shall provide support to the Secretariat's own experts in processing the tasks agreed with the EC/DG MOVE as well as in the reporting agreed with the EC/DG MOVE. Specifically, the external service provider shall provide the following services:

- *Services to be rendered:*
 - *Survey existing capacities and identify potential capacities of inland waterway transport, river and sea ports in the region to facilitate transport flows between EU and non-EU countries on the lower Danube in the current economic context;*
 - *Identify the capacity limits of the ports on the Lower Danube, especially for the transshipment of goods to and from Ukraine;*
 - *Develop proposals of measures to increase capacity;*
 - *Record the capacity of the Danube fleet for additional cargo volumes transported from Lower Danube river and sea ports to Constanta and Central and Western Europe;*
 - *Identify any administrative barriers to the movement of goods between EU and non-EU countries and propose measures to overcome these barriers;*
 - *Identify relevant market restrictions in Danube waterway transportation with regard to trade patterns, especially in the area of agricultural products;*
 - *Set-up and operate a contact and information point ("Danube Cargo Information Desk") to facilitate cargo flows in inland navigation by connecting market actors and matching cargo demand with port and fleet operator services;*
 - *Organise meetings (online, or in person) with port and fleet operators to discuss and identify solutions to overcome capacity constraints;*
 - *Involve public administrations to discuss and identify solutions to overcome administrative barriers and facilitate freight flows;*
 - *Provide regularly updated relevant information from the above activities that can be useful for the wider public, e.g. companies, ports, operators, transport companies;*
 - *Provide other relevant information of particular interest in a concise and structured form.*

- *Reporting services to be rendered:*
 - *Bi-weekly situation report on the Danube and the seaports in the region [availability/capacity bottlenecks of the Danube fleet, capacity situation of the seaports on the lower Danube and in Constanta; capacity situation of ferries transporting Ukrainian refugees, up-to-date information on administrative obstacles or other restrictions) and proposed measures; brief overview of supporting activities];*
 - *Overview table of ports and their general handling and storage capacities with a special focus on agricultural products (especially cereals, oilseeds and sunflower oil) with bi-monthly update cycle;*
 - *Overview table of inland navigation companies in the Greater Region and their transport with a particular focus on agricultural products (especially cereals, oilseeds and sunflower oil) with bi-monthly update cycle.*

Tender of a consultancy service

The Danube Commission invites tenders for the procurement of consultancy services. The award procedure is in accordance with the Danube Commission's Procurement rules and GRANT II General Conditions.

Interested bidders are requested to observe the enclosed tender criteria and documents and to submit a bid with all required bid enclosures including the self-disclosure according to enclosures 4 and 5 in a closed envelope by

as of 19 May 2022, 12:00

Each tenderer has the right to request additional information within the procedural deadline. The tender documents must contain technical requirements and general contractual provisions and must be signed by an authorized person.

Tenders should be submitted in one of the official languages of the Danube Commission or in English to:

Director General of the Danube Commission Secretariat
Mr. Manfred Seitz
Benczúr utca 25
H - 1068 Budapest
Tel. 0036-1-461 8010

The decision on the result of the bid selection will be communicated to the bidders in writing after the conclusion of the procedure.
