QUESTIONS FOR AQUAPOL MANAGEMENT TEAM raised after first DBS Hub meeting

- ***Joint exercises proposal of Slovakia for the next year within the "Danube-Black Sea" HUB (prevent and combat the pollution on the Danube River by vessels);***
- ***Mandate for the German Landeskriminalamt Bayern representative (Membership of the LKA Bayern has never been formalized in writing by AQUAPOL. A mandate from the European association is needed for future tasks, involvement in joint actions and representation of AQUAPOL in the Expert Group on Trafficking in Human Beings and Labor Exploitation);***
- ***Status of Croatia's affiliation to the "Mediterranean" HUB, taking into account the previous discussions.***
