

DC Workshop' 17  
(Budapest, 8 June 2017)

# Activities of the Danube Commission regarding security of navigation on the Danube

**Pjotr S. Suvorov**  
Deputy Director-General  
DC Secretariat

Adoption: **by DC's 83rd session - 10 December 2014**

Entry into force: **from 1 January 2015**

## THE MAIN OBJECTIVE

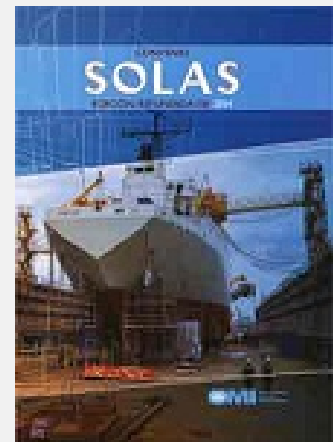

Establishment of **general principles** for taking measures preventing consequences related to the **violation of security of vessels** and of **port facilities** as well as to the **unlawful acts** against vessel crews sailing on the Danube

## BACKGROUND

- **International Convention for the Safety of Life at Sea (SOLAS), 1974: International Code for the security of ships and of port facilities (ISPS-Code)**

### Rec SEC followed by annexes:

- Annex 1 “Provisional operating procedure for ensuring the security of **unmanned non-self-propelled barges** temporarily left insecure at anchorage” (*draft*)
- Annex 2 “Provisional operating procedure for ensuring the security of **passenger vessels**” (*draft*)

## SCOPE OF APPLICATION

- navigable sections of the Danube
- Danube's harbour areas

## TARGET GROUP:

- all **competent authorities** responsible for the Danube navigation
- **administrations** of the Danube ports
- **boatmasters** and **other persons** directly or indirectly involved in the Danube navigation

## FUNCTIONAL TASKS

- ON BOARD A VESSEL
- SHIPPING COMPANIES
- PORTS

assessment of **potential threats**

**cooperation** of the DC Member States

appointment of the **officials responsible for security**

development of the **security plans** for vessels and port facilities

**behavioral pattern** of a crew in case of violation of security

special **education and training** for crews

# ASSESSMENT OF POTENTIAL THREATS AND COOPERATION OF DC MEMBER STATES ON SECURITY OF NAVIGATION

- **Information on:**
  - threat of unlawful acts or existence of an incident
  - unsafe navigation areas, cases or threats related to the violation of security to be transmitted to the DC competent authorities
- **Assessment of potential risks**
- **Competent authorities responsible for security of navigation** have to take all necessary measures to eliminate a threat of violation of security of vessels and port facilities
  - in case of incident – to ensure safety conditions for the crew to solve it

## VESSEL SECURITY PLAN

- Plan on board a vessel in international navigation - endorsed by administration of shipping company

### CONTENT:

- identification of restricted-access areas on board and measures to prevent unauthorized access
- measures to prevent unauthorized access on board a vessel
- incident threat or violation of security procedures (behavioral patterns)
- scheme of launch points for vessel alert system
- evacuation procedure
- crew members and personnel of passenger vessel responsible for security
- scheme of incident reports and messages
- data on vessel's, company's officers and competent authorities of the DC Member States responsible for security

## BEHAVIORAL PATTERNS OF CREW IN CASE OF VIOLATION OF SECURITY AND UNLAWFUL ACTS

- Keeping out of **undue risk** → staying **calm**, if possible, → continuing to perform its **duties**  

- Safely **reporting** on violation of security to the **administration** of shipping company  

- In case actions of violators could cause **incident** involving a vessel, trying to **coordinate safe way out** of situation  

- **Freeing** of a vessel from violators → immediate **contact** the **shipping company's officer** responsible for security, → contact the **competent authority** of a state of violation of security,
- *etc.*

WORKING PLATFORM FOR THE DEVELOPMENT OF THE SECURITY SYSTEM FOR IWT  
(SIWT SYSTEM)

(April 2016)

**OBJECTIVE**

- to ensure **coordinated and effective protection of IWT**, involving:
  - DG MOVE  
(Direct. Policy Coordination Security Unit)
  - PA 11 EUSDR
  - AQUAPOL
  - and other relevant stakeholders
- to create a **harmonized system** for common security

**BASIS**

- scheme of **coordinated actions** of competent authorities
- principle of **personal responsibility**

**LEGAL FRAMEWORK**

- DC Recommendations for ensuring the security of navigation on the Danube (**security**)
- Chapter 1.10 ADN (**security**)
- DC Rules of river surveillance (RS) on the Danube: Information notices issued by RS bodies (**safety**)

## COOPERATION WITH PA 11 EUSDR

**Target II - Developing strategic long-term cooperation between law enforcement actors along the Danube river by strengthening networks for cooperation by 2020**

**2. Action:** To strengthen the cooperation with key stakeholders – Europol, Southeast European Law Enforcement Center (SELEC), Regional Cooperation Council (RCC) and others ([Danube Commission](#))

**4. Action:** To establish standardized operational procedures for joint activities in case of transboundary technical-technological water traffic accidents and to strengthen the naval transport protection ([Danube Commission](#))

**DC WORKSHOP ON SECURITY (15 February 2017)**

# Thank you for your attention!
